

3 Courses

Linear Algebra for Machine Learning and Data Science

Calculus for Machine Learning and Data Science

Probability & Statistics for Machine Learning & Data Science

May 29, 2026

Musallam Abdulaziz Alomair

has successfully completed the online Specialization

Mathematics for Machine Learning and Data Science

Congratulations on completing all three courses of the Mathematics for Machine Learning and Data Science Specialization! You studied the core mathematics for machine learning and data science, including linear algebra, calculus, probability, and statistics. We're thrilled that you chose to learn with us, and are excited to see your career in AI grow!

Luis Serrano, Instructor,
Serrano Academy

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
